**12.00 competition**

**prize giving ceremony after the end of competition (1-6)**

## **Weather forecast:**

temperatures around 15 degrees, small rainfalls expected over the weekend, wind speed up to 4 m/s

## **TD briefing**

Jelko Gros welcomed all the teams in Wisła and thanked the Organisers for preparing the competition.

He informed that the Jury inspected the hill and that it is in a very good condition.

TD informed the teams about possible time delays due to very steep outrun and asked the coaches to inform the athletes that they need to be very quick getting off it.

There shall be no another TCM, unless there is a need. If so, this would be held in the hill.

## **FIS Coordinator briefing**

Horst Tielmann welcomed everyone in Wisła and thanked the Organisers for their efforts and arranging live broadcast of the event.

He informed about suit control and body measurements at the hill on Saturday morning, at 8.30, as well as coaches analyse meeting on Saturday at 14.00 at the Gołębiewski hotel.

## **Organiser's information**
